RFP Number: 2015-7 Vo-Ag Fiber Opening Date: Feb 9, 2015 Closing Date: March 9, 2015

Customer: Ness City School District

We are needing a new 12 strand fiber optic cable run from our Vo-Ag building to the high school building located at Ness City, KS.

This will be a direct buried multi-mode 12 strand fiber filled cable. This cable will be ran along side a 2 inch rolled plastic (PVC) conduit that will be installed by same vendor. All 12 strands are to be terminated in a termination box before they get to the switch using SC-UPC ends.

A physical walk-through and mapping is required by a provider's representative/technician for any vendor submitting a proposal. Schedule a walk-through using email address, erate@usd303.org.

Equipment/Service: Qty 1 Netgear ProSafe GS716Tv3 switch or equivalent. Qty two Netgear AGM731F GBIC or equivalent. Also required are a 5 meter Fiber patch cord LC-SC MMF Duplex and a 5 meter LC-SC multimode cable. 2 termination boxes also need to be included. 2" roll plastic (PVC) conduit.
