

State Assessment Report

Ness City Jr/Sr High 2023

General Information about KS State Assessments

- Score range is from 220-380 for any assessment
- The median score is what is used for comparison from school to school; school to state
- Anywhere from 35,500 to 37,000 students per grade level is assessed in the state
- Must have 10 to have a score report per grade
- Current year: 15-7th; 15-8th; 26-10th; & 20-11th
- Individual scores - 4 levels
 - The cut score between L1 and L2 varies between grade and subject
 - The cut score between L2 and L3 is always 300
 - The cut score between L3 and L4 varies between grade and subject
- B/w 7th and 8th grades, greater variation than b/w 8th and 10th

STUDENT REPORT

GRADE: 10 English Language Arts / STATE ID: [REDACTED]
SCHOOL: Ness City High
DISTRICT: Ness City / #D0303

2022—2023

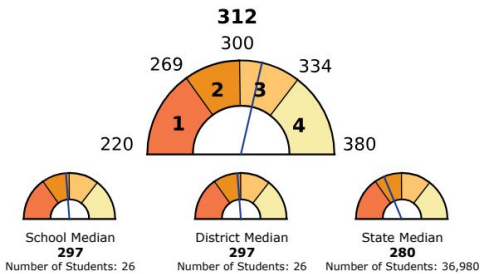

The KAP assessments measure students' understanding of the Kansas Standards at each grade. The English language arts assessment asks students to read and answer questions about literary passages, informational texts, and writing samples. Students demonstrate their knowledge and skills related to reading and writing by selecting the right answer and sorting, matching, labeling, and ordering information.

English Language Arts Score: Level 3

Your student's performance level from last year is not available.

Students who score at this level can typically

- ▶ read and understand moderately complex grade-level texts
- ▶ summarize themes
- ▶ identify implied or clear details to support an idea
- ▶ determine meanings of more difficult words and complex figurative language
- ▶ identify literary elements and text structures and their impact on meaning
- ▶ determine point of view or purpose
- ▶ revise or edit a text to use academic language and correct grammar and punctuation
- ▶ organize a text using sequence and logic
- ▶ determine if information is relevant
- ▶ use strategies to elaborate on ideas and structure texts

Standard error of measurement for this report:

Student — 10.9 | School — 3.7 | District — 3.7 | State — 0.2
The standard error indicates how much a student's score might vary if the student took many equivalent versions of the test (tests with different items but covering the same knowledge and skills).

ACT Scoring	Student's actual KAP grade 10 ELA score	Student's projected ACT Reading score	Student's projected ACT English score
To get an idea of how your high school student may perform on the ACT based on this KAP score, refer to this chart. For more information, go to ksassessments.org/act-scores .	Level 1:220-268	1-17	1-16
	Level 2:269-299	18-23	16-22
	Level 3:300-333	23-29	22-28
	Level 4:334-380	29-36	28-36

Lexile® Measure

Your student's score: 1340L	The Lexile measure provides a score that describes the level at which your child can comfortably read challenging text and also describes the complexity of texts, taking into account such features as vocabulary and sentence complexity. This measure, along with consideration of your child's interests and experiences, is helpful in finding texts for independent reading.
